About

Traditional fairs, such as the Urfahrner Markt, are essential cultural possessions. The event maintains its distinctive character already for decades: Known and visited by everyone in Upper Austria.

Its popularity made us wish to make you familiar with the atmosphere, the food and drinks and little adventure.

We are pleased to meet you in the foyer of the Ars Electronica Center for welcome addresses of

Susanne Wegscheider, Councilor

Gerfried Stocker, Director of the Ars Electronica Center

We are looking forward to inviting you to a ride on the famous "Giant Wheel" and a nice get-together in a "Festzelt" (one drink and meal included) ☺
