INVITATION

About

The **Advent wreath** is usually a ring made of fir branches, decorated with four candles and other Christmas decorations. On each Sunday in Advent another candle is lighted, so that on the fourth advent all candles burn.

The word "Advent" comes from the Latin term "adventus", which means "arrival". In Advent, the people of Christian faith are preparing for the birth of Jesus, which is celebrated at Christmas.

Before we start making our own Advent Wreath under the guidance of two florists, we are pleased to invite you to a visit at **the Christmas market** for welcome address of

Susanne Wegscheider, Councilor

We are looking forward to seeing you there!
