GradeUpp: Career Programme for International Students in Upper Austria

You are an international student studying in a STEM degree programme (science, technology, engineering and mathematics) and almost at your final steps of studies in Upper Austria? GradeUpp gives you the chance to join a career focused program that connects you early on with leading companies across Upper Austria.

JOINING GRADEUPP IS EASY!

You are eligible to apply if you are:

- an international STEM student at Johannes Kepler University Linz, University of Applied Sciences Upper Austria, IT:U Interdisciplinary Transformation University Austria or University of Arts Linz
- in your last two semesters before graduation

GradeUpp provides two tailored programme: **GradeUpp Basic** and **GradeUpp Advanced**.

GRADEUPP BASIC

Open to all nominated and self – nominated students. They will have access to essential support to prepare for the job market, guidance on applications and network events with Upper Austrian companies.

high potential candidates will be selected from GradeUpp Basic to join the advance programme

GRADEUPP ADVANCED – LIMITED

This group of max. 50 students will receive intensive, personalized support from a professional HR agency. They will obtain direct visibility and a strong focus on career placement and will be introduced to leading companies in Upper Austria.

GRADEUPP - PROJECT PROCESS
